PROFESSIONAL EXPERIENCE

Fiverr - Level One Seller

Mar 2023 - Present

Web Designer | WordPress Expert

As a Level One Seller on Fiverr with a focus on web design and WordPress, I've completed more than 25 projects & 60 orders with five-star reviews. Renowned for providing excellent solutions, obtaining favorable feedback regularly, and guaranteeing client happiness.

Engineer's Computing & Computers Ltd. (ECC) - Internships

Jul 2023 - Dec 2023

Web Designer | WordPress Expert

Interned there, specializing in Web Designer and WordPress. Collaborated on creating visually appealing, responsive websites. Gained hands-on experience in translating designs into functional web pages and optimizing website performance.

Deepnet Institute of Technology - Trainer

Jan 2019 - Aug 2022

Microsoft Office applications

For more than two years, I created visually appealing graphics and provided Microsoft Office training. Produced eye-catching materials and led successful training sessions to improve office and digital competency.
